Glory, the grape, love, gold - in these are sunk - The hopes of all men and

STRAWS

They are one of the biggest single-use plastic pollution offenders; so we have removed them from our drinks. If you've just applied your lippy and want one, feel free to ask for a paper straw.

Into the Frame

Breathe in. In-spire
Look up. It's all around you.
It's right in front of your eyes.

This collection of drinks and cocktails was inspired by the artworks hanging on the walls of Berners Tavern. Standing behind this bar we have, on occasions, found ourselves transported through these framed portals to other places and times, both imagined and remembered. In this menu we hope to share some of these musings and play a game with you. As you peruse the menu and sip your drink(s), take a moment to look around you and find a visual pairing.

Remembering that inspiration can strike at any moment; sometimes it is right in front of your eyes.
